

MATERIAL SAFETY DATA SHEET

Section I- Product and Company Identification

Identity (As used on label and list): Double-side tape(#63R00)	
Manufacturer's Name: ACHEM TECHNOLOGY CORPORATION	Emergency Telephone Number: 886-3-472-3111 EXT 3262
Address : 161,Minfu Rd.,Sec. 2, Juiyuan Li,Yangmei, Taoyuan 326, Taiwan,ROC	Telephone Number for Information: 886-2-2533-2250
	Date Prepared:2009/01/22
	Signature of Preparer (Optional)

Section II-Hazards Identification

Double-side Tissue Paper tape. Odorless.

Not a fire hazard in open areas.

Water fog, foam, CO₂ and dry chemicals can be used on fires.

Section III- Composition and Information on Ingredients

Chemical Name	Weight %	CAS No.
Acrylic Adhesive	46~56	
Release Paper	40~50	
Tissue Paper	4~5	
ethyl acetate	<1%	[141-78-6]

Section IV- First -Aid Measures

Eye contact : Immediately flush with copious amounts of water for at least 15 minutes. Get medical attention.

Skin contact :No potential health effects are anticipated .

Inhalation : No adverse effects anticipated by this route of exposure incidental to proper industrial handling.

If Swallowed : Drink two glasses of water. Call a physician.

Note to physicians : Treat symptomatically. Treatment may vary with condition of victim and specifics of incident.

Section V- Fire-fighting Measures

Flash Point (Method Used): N/A (ASTM D-1929) **Flammable Limits:** N/A

Extinguishing Media: water, dry chemical foam, CO₂

Special Fire Fighting Procedures:

Wear self-contained breathing apparatus and protective clothing to prevent contact with skin and eyes

Unusual Fire and Explosion Hazards:

Any paper and adhesive can be forced to burn by continuous application of intense Heat

Section VI - Accidental Release Measures

Sweep up and discard.

Section VII - Handling and Storage

Handling : Caution with edge of sheet. After using this sheets, wash hands.

Storage : Keep dry and cool (below 25° C) and away from direct sunlight for quality.

Section VIII- Exposure controls/Personal Protection

Engineering Controls : Good general ventilation should be sufficient for most conditions. When processing at elevated temperature, provide local exhaust.

Personal protective equipment(PPE) : Respiratory Protection :For most conditions, no respiratory protection should be needed. When processing at elevated temperature, use an approved respiratory protection.

Section IX- Physical / Chemical Characteristics

Boiling Point	N/A	Specific Gravity (H ₂ O=1)	N/A
Vapor Pressure (mm Hg)	N/A	Softening Point	N/A
Vapor Density (Air=1)	N/A	Evaporation Rates (Butyl Acetates=1)	N/A
Solubility in Water	N/A	Decomposition Temperature	N/A

Appearance and Odor

Section X - Stability and Reactivity

Stability : Stable

Incompatibility (Materials to Avoid) : Not Know

Hazardous Decomposition of By-Products : CO₂, CO & maybe some minor toxic gases

Hazardous Polymerization : Hazardous polymerization will not occur.

Section XI- Toxicological Information

No information available

Section XII- Ecological Information

No information available

Section XIII- Disposal Considerations

Dispose of materials in compliance with governmental regulations.

Section XIV- Transport Information

Not a hazardous material for DOT shipping.

Section XV- Regulation Information

Chemical Inventories: The products are defined as an article by REACH regulations, and therefore are exempt from the inventory listing requirements.

Other Regulations: please contact ACHEM for more information

Section XVI- Other Information

The information in this material safety data sheet presented herein was prepared for your reference to the best of our knowledge. It is given in good faith but Achem makes no warranties, expressed or implied.
