Solvents free	

PROPERTIES

- Good lubricant
- It doesn't stain nor grease

DESCRIPTION

SIL VASS LIQUID is a lubricant oil used for the following applications:

To lubricate mechanic parts, gear trains, threads, engines, blades, spare parts, fine mechanisms, rotary systems, and needle bar.

It is indicated as lubricant for: pivots (door), mechanisms, gear trains, curtains, locks, doors and every application which needs a penetrating lubrication.

Thanks to its formulation with colourless lubricants, SIL VASS LIQUID does not grease and it does not stain the treated materials.

SIL VASS LIQUID has also detergent qualities for working tables.

INSTRUCTIONS OF USE

Clean and degrease accurately the surfaces to be treated and apply the product with a dispenser.
